If cancelled within nine weeks your 30% voucher can be redeemed during the 2022/23 winter season at the same hotel.

As an additional security measure we are advising all our clients to book our Premier Bryte policy which covers cancel for any reason and get covered up to R30,000 per person.

This voluntary cancellation benefit allows the client to cancel for any reason and claim for the non-refundable travel costs, accommodation and visa costs.

Conditions for voluntary cancellation benefit:

2. You must cancel your insured journey 48 hours or more before the start date of the policy"

We want all our new guests *and* everyone who has already booked for the coming winter to feel secure in the knowledge that their hard-earned money is safe and that their holiday will always be there.

- ✓ If you are required to quarantine upon return to the country you are travelling from
- ✓ If the hotel / accommodation you have booked has been forced to close due the effects of Covid-19 by local or national government restrictions
